P.K.A. Licence Application Sheet

(Please write using block capitals)

P.K.A. Licence Details – IMPORTANT.

Please note that it is a condition of membership of the PKA that all who practice kickboxing at a PKA club should take out a PKA licence immediately. This is compulsory; however the first year's cover is usually included within your membership fee.

In the unlikely event of an accident or injury sustained whilst engaging in martial arts activities, it is good to have peace of mind by having this insurance cover with a reputable insurance company. Also, your grading's and courses are only validated when you have them recorded in your licence.

If you practice martial arts at a PKA club, your PKA licence is very important to you. If you have not got a licence at present or if your current licence is due for renewal, then I urge you to apply for this immediately.

Yours in Martial Arts

Mike Haig.
PKA Principal.
